

The National Association of EMS Educators Implementation of National EMS Education Standards Workshop

In Partnership with Arkansas EMT Instructor Society

Saturday June 22, 2013

Hours – 8:00 AM – 5:00 PM

General Information

The program designed by NAEMSE will provide a framework upon which Arkansas EMS educators will clearly understand the intent of the National Education Standards. This workshop will include the knowledge and skills needed to be taught and learned in the classroom. The program will look at the standards themselves for clarity and understanding. It will review ways to develop curriculum, classroom activities and lessons that address the content of the standards in ways that enhance student learning. The program is an eight hour instructional presentation led by an experienced team of educators who will assist you to fully understand the components of the National Education Standards.
